Creative rose cat litter

Product Features / Features:

1. The rose cat litter is composed of 5MM environmentally-friendly felt cloth and soft lambskin. There are six petals in total, which can be combined with different shapes.
2. Rose Cat Nest: with double-sided mats that can be used with the seasons
Four Seasons: If you fold the petals of the felt into the interior of the cat litter, you can get a cat litter for all seasons. Winter: If you fold the cashmere petals into the interior of the cat litter, you can get a warm winter cat litter.
3. Round cat litter: Connect the petals together, the cat litter has a large internal space, which can be used as a cat delivery room and a cat room;

4. Round cat mat: directly put the cat mat in the ground, support multiple cats to play and lie down;

5.Nylon gluing is fixed, each piece of petal is equipped with two pieces of gluing, which is soft in material and supports a variety of shapes;

6.This is a creative cat litter, a round cat blanket can create cat litter in different shapes! ! The family has a proud cat, a hot rose cat litter is enough to capture its heart!
