

## Waterproof warm sports dog clothes

### Product Features / Features:

1. The fabric is nylon cloth, which is dry and easy to handle, and is treated by waterproofing process;
2. The lining is fleece, soft and skin-friendly, and the inner layer is thickened with cotton to give the pet a thicker warmth;
3. The collar is protected by cotton wool, thick and long velvet, warm and cold in winter;
4. The back is a waterproof zipper, and the long zipper in the middle is suitable for all traction methods; the inside of the zipper is used to handle the zipper without hurting the pet's fur, giving him the most intimate love.
5. The back has added a reflective design, which is more fashionable and ensures the safety of pets at night;
6. The neck and chest are fastened with Velcro, making this sporty clothes more simple and stylish;
