

# DIY snuffling mat

## FeaturesFeatures:

1. Water resistant durable oxford fabric with anti-slip bottom
2. with silicone licking pad in the middle , removable for washing . you can put wet food or nuts on this licking pad to train your dog with slow eating
3. with suction cup in the licking pad , which can fix on the smooth floor . can use as daily dog feeding mat too .
4. The mat can be used as a dog food plate mat, the dog in the middle licks and sticks to the fixed floor, which is not easy to be moved.
5. 3 different difficulty options of flowers mats for selection to fullfill a complete snuffling mat for your dog. Need to buy separately .
