

Cat with cool artifact - cow devil cat wig

Product Features / Features:

1. The main fabric of the cat headgear is fleece, which is soft in texture;
2. The lining and horn parts are oxford cloth, which is refreshing and breathable and non-sticky, reducing the trouble of the owner's hair removal;
3. According to the character of the cat's active movement, the design uses a 38MM ultra-wide velcro, which is more secure;
4. The shape of the realistic cow demon shape, the preferred choice for Halloween cat dress!
