

A stylish personality of the unicorn cat headgear

Product Features / Features:

1. The main fabric of the cat headgear is fleece, which is soft in texture;
2. The lining and horn parts are oxford cloth, which is refreshing and breathable and non-sticky, reducing the trouble of the owner's hair removal;
3. According to the character of the cat's active movement, the design uses a 38MM ultra-wide velcro, which is more secure;
4. With the festive atmosphere of Halloween, the use of gold unicorns and rainbow long fluff for the individual embellishment, to create a stylish personality of the Halloween cat hood;
