

Cute style practical cat litter pad

Product Features / Features:

1. The material is made of 5MM thick PVC foam, soft and vegetarian, and the stripe gap can lock the cat litter brought by the cat from the litter box to protect the floor clean;
2. Cat head and cat claw pattern are optional, fresh and lovely;
3. The texture is soft, easy to roll up and store, and does not take up space;
4. The right lower part is matched with Dolmi black rubber label, which is simple and generous;
