

Christmas series of paper cat tunnel

Product Features / Features:

1. The cat tunnel fabric is PU, dry fabric, away from the troubles of clearing hair;
2. With two plush ball toys, it is a pair of pants, but also a toy for cats to play;
3. The tunnel contains ring paper, which can make a "sand" sound, and the cat loves to play more;
4. Large holes + two small holes, three holes to play more fun, suitable for two cats to play;
5. Place the product on one side to let the cat play as much as possible. Start by tapping the pants with your hands or using a funny cat to guide the cat to play;
6. The storage size is small, and it does not take up space when not in use!
7. This is both a Christmas decoration and a cat toy! It is the best choice for Christmas~
