

a raincoat that does not block the sight of the pet when it rains

Product Features / Features:

1. The fabric is a nylon breathable breathable and moisture permeable coating. The material is light and thin, 100% waterproof.
2. The hat part is transparent EVA, even if it rains, it will not hinder the pet's sight.
3. The edge of the hat is covered with a high-gloss reflective cloth, which is safer in rainy weather and night travel.
4. The small pocket part of the clothes can cover the buttonhole when used to prevent water seepage; it is the storage bag of the product when not in use.
5. L-XXXL, the tail has a small tightness, hooking the tail of the dogBar, to prevent the windbreaker from being blown up and drench the dog.
