

## Soft Pet Collar Leash Set

### Features:

1. The chest back cover is made of ultra-light and ultra-soft space layer fabric, which is very comfortable to wear, soft and breathable, and at the same time, it is quite wide and stylish.
2. The chest and back cover adopts a three-dimensional cutting version and a 4-point adjustment design, which can completely fit the dog's body and make it more suitable for wearing.
3. Every accessory of the chest and back cover is specially customized. From size to color matching, after repeated tests and selections, the overall appearance is coordinated and unified, which is pleasing to the eye.
4. The chest back cover is designed with two metal-covered plastic traction buckles, which are strong and can be used by people with metal allergies. The front and rear double buckle traction can be adjusted at will. The design of the quick-release buckle on the back is convenient for the owner to put on and take off.
5. There is a comfortable handle on the back of the chest harness, which is convenient for the owner to move and carry the dog.
6. The collar is designed with an elastic anti-leash pad to protect the dog's neck.
7. The top of the traction rope is designed with a universal hook buckle, the traction rope is not twisted, and the handle end is designed with a quick-adjust anti-trip buckle, which can be freely adjusted to put on and take off, and the running traction rope and ordinary traction rope can be switched freely, with multiple uses and more functions Waiting for you to unlock.
