

Drumstick Bucket Design Dog Playing Having Fun IQ Training Squeaky Interactive toys

Product functions/features:

1. The main fabric of the Drumstick Bucket Design educational dog toy is polyester---soft to the touch, thick in texture, and the fluff is bite-resistant
2. The design of the Drumstick Bucket is close to the color of the food, stimulating the nature of pets, stimulating curiosity and exploring instincts
3. Small body, great potential--Puppy teeth grinding/sounding/sniffing, liberate the dog's various natures
4. Different flavors of snacks can be put into the chicken leg storage mouth to satisfy the dog's vision and taste buds
5. Difficulty upgrade, hide food in the smelling chicken leg, put it in the chicken leg for the dog to sniff, and increase the difficulty of sniffing appropriately
6. The dog has bad breath, tartar, loneliness and depression, crazy house demolition---maybe you need a sniffing toy that can consume energy
7. It is not only fun, but also a daily companion that can accompany the dog. When the owner is not at home, it can start the self-play mode with its favorite toys
