

Pulling Leaves Carrot Design Dog Snuffle Toy

Product function / characteristics:

- 1.[Material] The Carrot Design Pulling IQ Snuffle Toy is mainly made of polar fleece, which makes it soft and comfortable. Thick and solid texture makes it durable for chewing and playing.
- 2.[Design] Lifelike Carrot Design resembles the colors of nature. The design stimulates dog's nature and curiosity to hunt and search.
- 3.[Dog's Training] The Carrot is a fantastic tool for dogs. It can lead little puppy to make a sound, it can offer snuffle training to dogs and it can be a chewing toy for dogs to grind teeth and get some cleaning inside mouth.
- 4.[Food Hiding] The Leaves on the top of the toy offers food hiding places between the gaps. The carrot design itself suits the topic of feeding and snuffle training. It offers visual and taste enjoyment to dogs.
- 5.[Snuffle Training] It's rich in food hiding places, so it offers multi-dimensional snuffle training to dogs. We can just hide the dog food between the leaves and also hide the food inside the carrot. Different levels for dogs snuffle training. It's indeed a challenge for them about the snuffle training.
- 6.[Release Energy] Snuffle training helps release dogs' extra energy and pressure. Dogs may release their energy on destruction to furniture, but such a snuffle toy can relieve their boredom by feeding and snuffle training. During their playing with the toy, they chew it, which is also a way of cleaning their teeth and mouth.
- 7.[Pet Companion] The toy is also a companion to dogs when they are alone at home. Dogs relieve their boredom and get excited with such a snuffle toy.
