

Male dog diaper civilization belt

The main function:

1. It can prevent dogs from urinating in inappropriate places;
2. Be a civilized dog to effectively prevent harassment during estrus;
3. Convenient and environmentally friendly, reusable;

Features:

1. The fabric is polyester, smooth and non-sticky, easy to handle; it is laminated with TPU and has waterproof effect;
2. Contains strong water-absorbing terry cloth, which has extremely strong water absorption capacity instantly; and is locked with breathable mesh cloth, so you don't have to worry about stuffy pp in summer (available in four seasons);
3. The design of the stomach is elastic and tight, which will not strangle the pet, giving him a comfortable wrapping experience;
4. Adjustable non-piercing super sticky Velcro, quick adjustment;
