

A cute and fresh cat collar

Product Features / Features:

1. The fabric is floral polyester fabric, the Japanese style is fresh, and the stripes are very clear;
2. The white safety buckle design automatically releases the button when the cat is hooked by the foreign object to ensure the safety of the cat;
3. The collar is filled with white cotton, which can fix the shape of the collar and increase the wearing comfort;
4. The collar is matched with a golden brass bell. The bell is crisp and not easy to rust, and it is very durable.
5. The white silk ray is adjusted, and the stretch is good, so that the cat is comfortable to wear;

Quick Released Safety Buckle
