

Product Features:

1. Super Light and Breathable
2. Adjustable on neck and chest
3. Design with matching colors webbing, fabric, D ring and buckles
4. No Pull, No Choke - Our non-pulling dog harness is specially designed with 2 metal leash rings for safer dog walks.
5. Use the chest attachment clip to stop your dog from pulling on walks, perfect for dog training or dogs who tend to pull. The back one is great for casual walks, jogging, hiking, etc.
6. With soft padded handle on our pet harness
7. With soft padded neoprene on our collar
8. Our leash can adjust to different length from 120 CM to 218 CM, can also use as running leash with waist strap
