

Super Large Forest Sniffing Mat, Durable and Washable Smell Training Blanket Dog Puzzle Nasal Congestion Feeding Mat

Product functions/features:

1. Extra large sniffing pad The main fabric of the forest sniffing pad is polar fleece, which is comfortable and soft, environmentally friendly and easy to clean
2. Anti-skid particle bottom, effective grip, pleasant smell and not easy to move
3. The sniffing area is enlarged, and the mat is rich in multiple foraging levels. Use the sensitive dog nose to discover "treasures", and meet the daily sniffing needs of dogs during the interesting foraging process
4. The right middle part of the sniffing pad is mainly for storing food flower cores, the owner can open the dog food separately, and it can be used as a slow food bowl, which can effectively prevent the dog from choking
5. The sniffing pad is designed with hemming, which is strong, wear-resistant and drag-resistant
6. Sniffing for 10 minutes = playing for 1 hour, the owner can encourage pets to exercise through the method of snack temptation, release excess energy, and prevent house demolition
