

Recovery Pet Suit

Product features / Features:

- 1.[Material] The Recovery Suit is mainly made of cooling fabric, soft and elastic. The cooling fabric brings away heat to moderate temperature, and the cooling factors inside bring pets cool feelings. Compared to normal fabric, this kind of cooling fabric is light, breathable and comfortable.
- 2.[Calm Down] Thanks to the fabric, it feels that pets with this Recovery Suit are in Owner's hug, which helps calm dogs down.
- 3.[Covering] Covering reaches the wound of the whole body, which prevents licking and scratching.
- 4.[Brim] Comfortable brim on sleeves and collar, double padded cotton cloth on belly, dogs feel safe.
- 5.[Buckles] Durable buckles on back, dogs have a sound sleep with the suit.
- 6.[Design] Packable Design on the rear leg. Pack the cloth on dog's butt and dogs pee and poop as usual.
