

DOG SNUFFLE TOY

Feature/Function :

1. Come with Rabbit, Flog and Chicken Design, Cute and Fun
2. Snuffle Training : with pockets on the animal head and feet , can hide dog kibble or treats to attract your dog and have fun for hours
3. Combined with TPR ring material , which can help your dog have clean teeth.
4. Interactive Squeaky : with squeaker inside to attract your dog's attention and have more fun.

7.[Effects] 10 minutes snuffle training makes equal effects to running for an hour outdoors. It means that we can walk the dog indoors with such a snuffle mat. We can put some dog food inside to attract them to get energetic to some snuffle training.

They release their extra energy on the snuffle training on the mat instead of furniture.
