

Nordic style autumn and winter warm dog clothes

Product Features / Features:

1. The fabric is a two-color fleece fabric with a soft texture, and the candy color is warm and fashionable in winter;
2. The lining is polyester lining, dry and skin-friendly, non-sticky, warm cotton design, suitable for autumn and winter seasons;
3. The chest is added with an elastic design, which is more compact and warmer, and has high elasticity and does not affect the daily play of the dog;
4. Long-necked design, short-necked dogs can protect the ears, long-necked dogs can cover the neck, and the winter is warmer;
5. Support double-sided use, if you wear the clothes on the reverse side, the clothes can be changed from casual and cute to sports style;
6. The Velcro is fast fixed and the widened design allows for a small range of adjustments;
7. The leg has a strong elastic design that fits into the dog's legs and the clothes are more close!
